Documents you may receive in the financial planning process

We will provide you with several documents as you progress through your financial planning and advice journey. We may provide these documents electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA). The SoA contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of our advice.

If we provide further personal advice an SoA may not be required. We will keep a record of any personal advice we provide you for seven years. You may request a copy of such records by contacting us during that period.

If we recommend or arrange a financial product for you, we will provide a Product Disclosure Statement (PDS), or Investor Directed Portfolio Services (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks, as well as the costs you will pay the product provider to manage that product. You should read any warnings in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Transaction services

In limited circumstances, we can arrange financial product transactions for you on your instruction without providing personal advice.

Instructing us

You can give us instructions by telephone, mail, email, or other methods, as agreed with your adviser.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate, the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we can determine if our advice is still appropriate.

Credit services

In addition to financial services, we are also authorised to assist you with advising and implementing loan products and consumer leases.

Credit documents you may receive

When we provide credit assistance, we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Credit Proposal. We will retain this document and you may request it by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

Lenders and lessors

The Licensee has a broad panel of lenders and lessors for your Accredited Mortgage Consultant (AMC) to choose from. The full list of approved lenders is available on request but is not an exhaustive list of lenders who offer credit of the nature you may seek.

As at March 2025, the lenders whose products are most commonly recommended by AMCs authorised by the Licensee are AFG Home Loans, NAB, Macquarie Bank, Westpac, St George Bank,, ANZ

Benefits we may receive from lenders and lessors

Subject to compliance with relevant laws, including relating to conflicted remuneration, lenders may offer incentives that are paid directly to the AMC. These may include indirect benefits, for example business lunches, tickets to sporting or cultural events, corporate promotional merchandise and other minor benefits.

Credit reports and valuations

We may be provided access to free services such as credit reports and valuations from our lenders. Details of any relevant services we may receive because of a recommendation we make to you, will be included in the Credit Proposal we provide to you.

Tiered Servicing Arrangements

Through your AMC's relationships with lenders, they may have access to tiered servicing arrangements. The benefits can include faster processing, better information or greater levels of assistance provided for obtaining loan approval. You will be advised of any tiered service arrangements that are in place with a particular lender that they have proposed at the time recommendations are made.

Access to these programs is not based solely on the volume of new or existing lending your AMC's customers have with each respective lender and does not entitle

them to any additional commissions outside of what they have disclosed to you, any additional payments or preferential customer discounts.

Mortgage aggregators

Mortgage aggregators act as a gateway or interface between mortgage brokers and lenders by providing an IT platform through which brokers submit loan applications and deal with lenders. They also provide some ancillary services. We aggregate via AFG.

The aggregator may invite AMCs to conferences and professional development events to hear industry updates and educational presentations by the aggregator and lender sponsors. The aggregator may subsidise some attendance costs, subject to compliance with relevant laws. The value will depend upon a range of factors, including the nature of the courses and events planned. Any benefits that we may receive that are related to a loan recommended to you which is regulated by the National Consumer Credit Protection Act 2009 (Cth), will be disclosed in our advice to you prior to application.

Privacy Collection Statement

We are committed to protecting your privacy and outline below how we maintain the privacy of the information we collect about you.

As part of the advice journey, we need to collect information about you. Where possible we will obtain that information directly from you, but if authorised by you we may also obtain it from other sources such as your employer or accountant.
